

Eliros Mare Beachfront Poem Hotel Celebrates 11th Consecutive Blue Flag Award

Eliros Mare Beachfront Poem Hotel is proud to announce that its beach has been awarded the Blue Flag for the 11th consecutive year, reaffirming its commitment to environmental excellence and sustainable hospitality.

Presented by the Foundation for Environmental Education (FEE), the Blue Flag is one of the world's most respected eco-labels, awarded exclusively to beaches and marinas that meet rigorous standards for water quality, environmental management, safety, accessibility and environmental education.

Receiving the Blue Flag for the eleventh consecutive year reflects Eliros Mare's ongoing dedication to preserving the natural environment while offering guests an exceptional beachfront experience. The hotel's crystal-clear waters, pristine beach and high-quality facilities provide visitors with a safe, clean and welcoming setting along the beautiful coastline of Crete.

This latest distinction highlights Eliros Mare's long-standing commitment to sustainable tourism and responsible environmental practices. By combining genuine Cretan hospitality with continuous care for its natural surroundings, the hotel offers guests the opportunity to enjoy an unforgettable holiday where comfort, relaxation and respect for nature come together.
